Powerful knowledge
Christians read the 'big story' of the Bible as pointing out the need for God to save people. This salvation includes the ongoing restoration of humans' relationship with God. Christians believe that Jesus' sacrifice on the cross was a way of paying for all the sins of mankind. That as a result they have been 'saved' or rescued by God. Christians remember the sacrifice of Jesus through the service of Holy Communion. Christians believe that Jesus calls them to sacrifice their own needs to the needs of others, and some are prepared to die for others and their faith.

Salvation is about being rescued. Do you think we need to be rescued? If so what from?

Some modern martyrs are Martin Luther King, Oscar Romero, Janani Lawum, Dietrich Bonhoeffer, Esther John.

What I know already
The Gospels in the Bible give the accounts of Jesus' death and resurrection. Christians trust that Jesus really did rise from the dead, and so is still alive today.
