

The Project Title	Design, make and evaluate a teddy bear for yourself to play with.
-------------------	---

What should I already know?
<ul style="list-style-type: none"> I have joined fabric in simple ways by gluing and stitching. I have used simple patterns and templates for marking out. I have evaluated a range of textiles products.

Powerful Knowledge
<ul style="list-style-type: none"> Produce annotated sketches Select and use a range of appropriate tools for cutting, joining and finishing Fix two pieces of fabric together Create a template Plan the main stages of making using a flowchart or storyboard

Useful Diagrams	
Joining Techniques	
	Back stitch
	Backwards running stitch
	Over sew stitch
	Blanket stitch
	Running stitch

Vocabulary	
template	A shape drawn to exact shape and size and used to assist cutting out.
stitch	One movement of a needle and thread through a material.
seam	A line of stitching that joins pieces of fabrics together.
aesthetics	The way in which the product looks with the nature and expression of beauty.
appliqué	Describes a method of stitching/gluing patches onto fabric.

Examples of Teddy Bears.
