### Year 5 – Autumn 2 – Dance

# Knowledge Organiser Dance Year 5

**About this Unit**

This unit is inspired by lots of different themes. Here are some that you may explore...

**Dance by Chance**  
Merce Cunningham is an American composer. Cunningham created a style of dance that was by chance, often called 'dance by chance'. He used random and chance methods to choreograph dance by assigning actions, dynamics and relationships and space to numbers. He then used methods such as phone numbers, birthdays and rolling a dice to create his dance.

**Ancient Maya**  
This dance takes inspiration from Ancient Maya. The Mayan civilisation began long ago (it is believed as early as 1500 BCE), in a place called 'Mesoamerica'. This very large area is made up of Mexico and part of Central America where there is the Maya rainforest. The Mayans built amazing cities. They were experts at reading the stars and built their cities off a map of the sky. The Mayans had ceremonies and rituals, including human sacrifices, that would have been filled with music and dancing.

**Rock and Roll**  
Rock 'n' roll is a genre of music that originated in the USA in the early 1950s. The music combines a number of different styles including country, gospel, rhythm and blues and jazz. You may have heard of famous rock 'n' roll artists such as Elvis Presley. Dancers need to have good stamina and co-ordination as the style uses lots of spins, jumps, lifts, slides with upbeat and lively dynamics. Dancers had exaggerated smiles as they danced and enjoyed the music.

**Chinese New Year**  
This dance is inspired by Chinese New Year which is believed to be between 21st January and 20th February depending on the moon. Each year relates to an animal. The longer the dragon is in the dance, the more luck it will bring to the community. The lion represents joy and happiness.

- Number each object 0-10.
- Use your first 10 numbers from a familiar phone number to give you the order for your actions.

Add music to your dance if you would like.
